BLOOMWELL HOME CARE UGANDA LIMITED

CLIENT HOME NURSING SERVICE AGREEMENT
BLOOMWELL HOME CARE UGANDA LIMITED
UNDER THE NEST MAMA PROGRAM
Service enquiries | Notices: 0787499988 | Kampala, Uganda

Agreement Reference:…… **Date:** ……

1.0. Parties, Definitions and Purpose.

1.1. This Agreement is made between **BLOOMWELL HOME CARE UGANDA LIMITED**, a limited liability company duly incorporated in Uganda, with its registered office along Bombo Road, Matugga, Wakiso District and email info@wellnesthomecareug.com; **(hereinafter** referred to as "**BLOOMWELL")**

-And-

1.2. The person identified below, (hereinafter referred to as "the **Client**"):

Client Full Legal Name: Mr./Mrs./Miss./Dr: ……

Client Address: …… **Tel:** ……

Email: ……

Patient Full Name *(if different from Client)*: ……

Client's Relationship to Patient: ……

NOW WHEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1.3. **BLOOMWELL** agrees to provide the agreed home nursing services (the "**Services**") for the person receiving care (the "**Patient**", who may be the Client) on these terms and the signed Schedules **A, B** and **C** (together, the "**Schedules**"). In this Agreement, "**Notice**" means a written notice given in accordance with **Clause 15.2.**

1.4. The Client signs in their own capacity as the person responsible for the agreed fees. If a payer signs for an organization, the organization's legal name and the signatory's authority must be recorded in **Schedule B.** A witness, emergency contact or person signing only clinical consent does not assume payment liability merely by that signature.

1.5. Paying for care, being a relative or being an emergency contact does not alone authorize treatment decisions or access to clinical records. The Patient's consent, or the consent of a person with lawful authority where applicable, is addressed in **clause 4** and **Schedule C** to this Agreement.

2.0. Services and Duration.

2.1. Services begin on the start date and continue for the period recorded in **Schedule A**, after assessment, consent and confirmation of a suitable care plan. **BLOOMWELL** shall provide only the agreed Services, at the agreed location and during the agreed visits or shifts. **Renewal or extension** requires the written agreement of both parties; there is no automatic renewal.

2.2. Services may include newborn and postnatal nursing, postoperative care including care after caesarean delivery, wound care, elderly nursing and caregiver education, as individually assessed and recorded. Surgery, hospital admission, laboratory services, ambulance transport and continuous monitoring are excluded unless expressly and lawfully arranged in the Schedules.

2.3. **BLOOMWELL** shall explain the proposed care, relevant risks and limitations and refer needs outside its available competence or resources. A home-care booking is not a substitute for hospital or emergency care. General advertising of 24-hour availability does not create continuous bedside care or an ambulance response obligation.

3.0. Personnel and Standard of care.

3.1. **BLOOMWELL** shall exercise reasonable care, skill and diligence; use appropriately qualified personnel who are registered or enrolled with the Uganda Nurses and Midwives Council (or other applicable professional body) and hold current practising licences; and maintain the licences, registrations and approvals required by Ugandan law for the services it actually provides. It remains responsible for organizing and supervising the Services it undertakes under this Agreement.

3.2. **BLOOMWELL** may substitute a suitably qualified nurse, notify the Client as soon as practicable and provide a safe clinical handover. A particular nurse is guaranteed only if expressly agreed in writing. If adequate cover cannot be provided, **BLOOMWELL** shall promptly notify the Client and assist with safe alternative arrangements. Payments remain subject to **Clauses 8.4** and **8.8.**

4.0. Informed Consent.

4.1. The Patient shall receive an explanation in an understandable language and an opportunity to ask questions before care. Specific procedures require their own appropriate consent; this Agreement is not blanket consent to every intervention. A Patient with capacity may refuse or withdraw consent at any time, subject to lawful exceptions.

4.2. For a child or a person unable to give valid consent, **BLOOMWELL** shall verify and record the appropriate lawful decision-making authority and involve the Patient as appropriate. A competent adult Patient's decision takes precedence over a payer's contrary instructions. Refusal, capacity concerns and material changes to consent shall be documented.

5.0. Care plan, Medicines and Records.

5.1. **BLOOMWELL** shall maintain a care plan, visit or shift records, relevant observations, medicines administration records where applicable, and incident and handover records. The Patient or authorized representative shall be informed of material changes and given relevant care instructions and a discharge or transfer summary.

5.2. Medicines shall be administered only within the practitioner's lawful authority and competence and, where required, on a valid prescription or clinical order. The Client shall provide current prescriptions and disclose known medicines, allergies and recent treatment. **BLOOMWELL** may decline to administer unidentified, expired, improperly stored or otherwise unsafe medicines and shall explain the concern and arrange appropriate clinical advice.

5.3. The care plan shall identify who supplies medicines, dressings, equipment and consumables. Any change to Services, hours or fees, requires the written agreement of both parties before implementation, except necessary lawful emergency action under **clause 7.** No chargeable extension is implied by a nurse remaining briefly to complete a safe handover.

6.0. Client and household responsibilities.

6.1. The Client shall provide accurate information reasonably available to them about the Patient's needs, discharge instructions, known allergies, medicines and relevant household risks, and promptly communicate material changes. **BLOOMWELL** remains responsible for its own assessment and professional judgment.

6.2. The Client shall arrange safe access, reasonable hygiene, water, lighting, a suitable care area and the equipment or supplies allocated to the Client. Household members shall treat staff respectfully and shall not threaten, harass or direct them to perform unsafe, unlawful or unrelated work. **BLOOMWELL** shall respect the Patient's dignity, home, culture and lawful preferences.

6.3. Where the care plan requires another responsible adult to be present, the Client shall arrange that person. Unless expressly booked, nurses do not provide general domestic work, childcare for other children, security or care for additional patients. Separate patients require separate assessments and records.

6.4. **BLOOMWELL** staff shall not borrow money, solicit gifts, handle bank passwords or accept private payments for **BLOOMWELL** services. The Client shall report requests for unauthorized payment. Neither party may impose fines or retain the other's property to resolve a disagreement.

7.0. Emergencies and Referrals.

7.1. If urgent deterioration or another medical emergency occurs, **BLOOMWELL** personnel shall take reasonable immediate action within their competence, seek appropriate

emergency assistance and arrange or recommend referral. They shall notify the Patient's authorized contact as soon as practicable and document the action taken.

7.2. Where the Patient can decide, their informed decisions shall be respected subject to law. If consent cannot be obtained and urgent action is necessary, personnel shall act only within the lawful emergency basis and professional standards. This Agreement does not authorize unlimited treatment or allow a payer to override lawful consent requirements.

7.3. The preferred receiving facility and emergency contacts are recorded in **Schedule A.** The clinically appropriate available facility may be used where necessary. Hospital, ambulance and external practitioner charges are separate unless expressly included. **BLOOMWELL** shall explain foreseeable costs where practicable; disputes over payment shall not delay lawful immediate protective action.

7.4. Outside booked attendance, the Client or caregiver shall seek emergency assistance directly where needed and shall not wait for a reply by WhatsApp or any other messaging channel in an emergency. **BLOOMWELL**'s booking number is not a guaranteed emergency dispatch service.

8.0. Fees, Invoices and Payment.

8.1. The Client shall pay the fees specified in **Schedule B** or an agreed written quotation. Any additional services and their charges shall be agreed upon before they are provided.

8.2. The Client shall pay a non-refundable booking fee of **UGX 50,000/-** to confirm the booking. This fee is separate from the advance deposit and service fees.

8.3. **BLOOMWELL** shall issue itemized invoices and receipts. Payments shall be made only to the verified **BLOOMWELL** payment details in **Schedule B,** or to an expressly authorized collector against an official receipt. **BLOOMWELL** shall communicate any change of payment details by Notice, and the Client should confirm the change through an independently verified contact before paying.

8.4. The Client shall pay an advance payment equal to **50% (fifty per cent)** of the agreed service fees for the Services booked under Schedule B or an agreed written quotation before those Services commence. The remaining 50% (fifty per cent) shall be payable on the due dates specified in **Schedule B** or as otherwise agreed between the parties. The separate booking fee under **clause 8.2** is additional to, and is not included in calculating, the 50% advance payment. All booking fees, assessment fees, service fees and advance deposits or advance payments towards the Services are non-refundable once paid, subject to **clause 8.8**. Advance deposits and advance payments shall be credited against the agreed service fees and shall not constitute an additional charge. Cancellation, missed attendance, withdrawal of consent, early termination or non-use of all or part of the booked Services does not by itself entitle the Client to a refund. No undisclosed surcharge is payable.

8.5. The Client shall raise billing queries promptly and pay undisputed amounts when due. **BLOOMWELL** shall provide supporting details and review disputed items fairly. No default interest, collection fee or penalty applies unless expressly agreed in **Schedule B** and lawful.

8.6. Fees are payable in the currency stated in **Schedule B**. Where fees are stated in United States dollars, they are payable in Uganda shillings at the Bank of Uganda mid-rate on the date of payment unless **Schedule B** expressly provides otherwise. **Schedule B** shall state whether fees include any applicable taxes.

8.7. Where charges lawfully due under this Agreement exceed payments already received, the Client shall pay the outstanding balance against **BLOOMWELL**'s final invoice. All payments already received shall be accounted for and credited without double charging. The non-refundable status of payments is governed by **Clauses 8.4** and **8.8.**

8.8. On cancellation, termination, expiry or completion of Services, **BLOOMWELL** shall provide an itemized final statement showing charges, payments received and any outstanding balance. No unused portion of any booking fee, assessment fee, service fee, advance deposit or advance payment is refundable, except to the extent repayment is required by applicable law or a binding court order. This clause does not permit retention of duplicate or mistaken payments, exclude liability under **Clause 10**, or prevent the Client from pursuing a remedy available under applicable law. Any repayment required by law shall be made within the applicable legal deadline or, where none is specified, within **fourteen (14)** days after the amount due is established.

9.0. Cancellation, Missed visits and Non-refundable payments.

9.1. The Client should give at least 24 hours' notice to cancel or reschedule a visit or shift. Payments already made remain subject to **Clauses 8.4** and **8.8**. Any additional late-cancellation charge applies only if its amount or calculation is expressly completed in **Schedule B** and lawful. It shall not exceed the agreed fee for the cancelled attendance or **BLOOMWELL**'s reasonable, demonstrable and unrecovered loss, whichever is lower. **BLOOMWELL** shall take reasonable steps to reduce that loss and shall account for amounts already retained in respect of the same loss to prevent double recovery.

9.2. No additional late-cancellation charge applies where cancellation results from the Patient's death, an unplanned hospital admission, an acute medical emergency, **BLOOMWELL**'s breach or **BLOOMWELL**'s inability to provide the service. Payments already made remain subject to **Clauses 8.4** and **8.8**. Completed Services and separately approved, non-recoverable third-party expenses remain payable to the extent lawful and documented.

9.3. If the nurse cannot obtain safe access at the agreed time, **BLOOMWELL** shall make reasonable attempts to contact the Client, record attendance and waiting time and

consider patient safety. Any charge is subject to **clause 9.1**; the Client's signature on a visit record acknowledges attendance only and does not waive a complaint.

9.4. For a missed or materially shortened service attributable to **BLOOMWELL**, **BLOOMWELL** shall offer a suitable replacement without double charging, subject to the Patient's consent and clinical suitability. Payments remain governed by **Clauses 8.4** and **8.8**. Nothing in this clause limits **BLOOMWELL**'s liability under **Clause 10** or any remedy available to the Client under applicable law. Any repayment required by law shall be dealt with under **Clause 8.8.**

10.0. Responsibility for loss and Insurance.

10.1. **BLOOMWELL** shall be responsible, in accordance with Ugandan law, for loss caused by its breach, negligence or wrongful acts or omissions and those of personnel for whom it is legally responsible occurred during times of service. Engaging a contractor does not remove responsibility for **BLOOMWELL**'s own selection, organization or supervision of the contracted services.

10.2. **BLOOMWELL** does not guarantee recovery or a particular clinical outcome. A poor outcome alone does not establish negligence, and this statement does not excuse a failure to meet the required standard of care. The Client is responsible only for loss legally attributable to their own breach or wrongdoing; there is no blanket indemnity in **BLOOMWELL**'s favour.

10.3. This Agreement does not exclude or cap liability for negligent injury or death, fraud, deliberate misconduct or any other liability which cannot lawfully be excluded. Compensation remains subject to applicable rules on proof, causation, mitigation and double recovery. Referral alone does not release **BLOOMWELL** from responsibility for its own conduct.

10.4. **BLOOMWELL** shall maintain insurance required by law and any additional cover expressly identified in **Schedule B**. On request it shall provide reasonable evidence of relevant cover. No particular policy or level of cover is represented unless recorded and verified.

11.0. Equipment, Property and Professional boundaries.

11.1. An inventory shall record any equipment supplied, its owner, condition, charges and return arrangements. Normal wear shall not be charged as damage. Any claim for loss or damage must be supported by evidence and assessed according to responsibility; automatic replacement penalties do not apply.

11.2. **BLOOMWELL** shall take reasonable care of the home and property while providing Services. The Client should secure valuables and disclose any relevant surveillance before attendance. Neither party shall publish images or recordings of the other, the Patient or staff without the required permission or lawful basis.

11.3. Requests to extend or alter **BLOOMWELL**'s Services shall be agreed through its authorized representative. This Agreement imposes no restriction on the Patient obtaining another provider or a second opinion and no undisclosed recruitment or introduction fee.

12.0. Confidentiality and Patient information.

12.1. **BLOOMWELL** shall protect personal and health information in accordance with the Data Protection and Privacy Act CAP 97, its regulations and applicable professional obligations, and shall maintain any registration with the Personal Data Protection Office that the law requires of it. It shall collect only information reasonably necessary for assessment, care, coordination, billing, safety and legal compliance, using an appropriate lawful basis and additional safeguards for health data (which is special personal data) and children's data.

12.2. Access shall be limited to authorized persons with a legitimate need. Necessary information may be shared with treating or receiving professionals, authorized service providers and regulators or other authorities where lawful. A person paying the bill is not automatically entitled to clinical details. Permitted routine recipients and channels shall be recorded in **Schedule C**.

12.3. The Patient may request access to or correction of their information and raise privacy concerns through **BLOOMWELL**'s contact details, subject to lawful restrictions. Records shall be secured and retained only for the period justified by applicable clinical, legal and recordkeeping obligations, then securely disposed of. Necessary information for ongoing care shall not be withheld solely because fees are disputed.

12.4. Clinical photographs require a specific lawful basis and appropriate consent where required, and shall be kept in the clinical record. Marketing, testimonials, social-media use and nonessential disclosures require separate, specific permission. Refusing such optional use shall not affect care. Withdrawal applies prospectively, subject to lawful retention and processing obligations.

12.5. **BLOOMWELL** shall explain material privacy risks of proposed messaging channels and offer a reasonable alternative. Information sent outside Uganda shall have the safeguards required by law. The parties shall promptly report lost records, misdirected messages or other suspected privacy incidents; **BLOOMWELL** shall comply with applicable response and notification duties, including notification to the Personal Data Protection Office where required.

13.0. Suspension and Ending services.

13.1. The Client may end/ terminate this Agreement by giving BLOOMWEL at least 48 (Forty-Eight) hours' prior written Notice. The Patient may refuse or withdraw consent to any care immediately, without awaiting expiry of that notice period. **Clauses 8.4**, **8.8** and **9** shall govern the financial consequences of cancellation or termination. No additional late-cancellation charge shall apply in the circumstances specified in clause 9.2.

13.2. **BLOOMWELL** may end services on at least seven days' written Notice, explaining the reason and assisting with reasonable continuity arrangements. For overdue undisputed fees or another remediable breach, **BLOOMWELL** shall first give written details and at least 48 hours to remedy before suspending future non-urgent bookings. Clinical risk may require a longer handover period.

13.3. Unsafe conditions, abuse, unlawful demands or care needs beyond **BLOOMWELL**'s capacity may require immediate protective action. **BLOOMWELL** shall explain the concern, take reasonable steps within its competence to avoid abandonment, contact an appropriate caregiver or receiving service and arrange a safe handover or emergency referral where needed. Staff are not required to remain exposed to immediate danger.

13.4. On expiry, termination or death, **BLOOMWELL** shall provide an appropriate care summary, reconcile fees and return property. Payments already made remain subject to **Clauses 8.4** and **8.8**; no automatic refund of unused payments arises. Duties concerning confidentiality, records, accrued payment obligations and liability survive termination.

14.0. Complaints and Disputes.

14.1. The Client, Patient or authorized representative may submit a complaint to **BLOOMWELL** through its designated complaints officer on **+256787499988** or at info@wellnesthomecareug.com. **BLOOMWELL** shall acknowledge receipt within two (2) working days and provide a written response within seven (7) working days. Where further investigation is necessary, **BLOOMWELL** shall, within that period, explain the reasons for the delay and specify the date by which a substantive response will be provided. A complaint concerning the designated officer shall be referred to another director or suitably authorized person. Urgent patient-safety concerns shall receive immediate attention. No person shall suffer retaliation for making a complaint

14.2. The parties shall endeavour to resolve any dispute through good-faith discussions within fourteen (14) days after receipt of written notice of the dispute. If unresolved, they may, by mutual written agreement, refer the dispute to mediation in Uganda before a jointly appointed mediator. If mediation is not agreed upon or does not resolve the dispute, either party may seek relief before a competent Ugandan court.

14.3. Nothing in this clause prevents a person from seeking urgent court relief or lodging a complaint with a competent professional regulator, the Personal Data Protection Office or another competent authority in accordance with applicable procedures. This clause does not shorten any statutory limitation period or make mediation compulsory.

15.0. General Provisions.

15.1.This Agreement shall be governed by the Law of Uganda. The Agreement and signed Schedules constitute the agreed terms and replace any earlier understanding on the

same subject. Schedules specify the individual care and commercial details; any change to these standard terms must expressly identify the clause varied and be signed by both parties, and must remain lawful. **BLOOMWELL**'s internal constitution, articles or staff policies do not unilaterally alter Client obligations.

15.2. Notices shall be in writing and delivered by hand, by post, or by email or another electronic contact verified in **Schedule C**, to the addresses provided in this Agreement. A Notice is treated as received on delivery if delivered by hand, on the second working day after posting, and at the time of sending if sent electronically, unless the contrary is shown. A cancellation should be acknowledged by the recipient; where no acknowledgement is received, the sender should follow up by telephone. Each party shall receive a complete copy of this Agreement.

15.3. If an event outside reasonable control disrupts care, **BLOOMWELL** shall notify the Client, mitigate the effect and assist with safe alternatives. Payments remain subject to **Clauses 8.4** and **8.8**, including any repayment required by applicable law. Such an event does not excuse negligence, confidentiality duties or reasonable continuity steps. An invalid term shall be severed only so far as possible without defeating the lawful agreement.

15.4. Neither party may assign or transfer its rights or obligations under this Agreement without the written consent of the other, except that nothing in this clause prevents **BLOOMWELL** from lawfully engaging qualified personnel under **Clause 3**. A failure or delay in enforcing a right is not a waiver of it, and a waiver is effective only if in writing.

15.5. This Agreement may be signed in counterparts and, where permitted by the Electronic Signatures Act, CAP 98, by electronic signature or other recorded electronic acceptance.

SCHEDULE A

Patient details and agreed care plan
